

Work On Gateway Sewer Project To Be Started Soon

\$42,000 Contract Goes To Fresno Firm; To Be Ready Soon

At a special meeting of the Truckee Sanitary District board Tuesday night a contract for installing 6,771 feet of sewer disposal pipe and appurtenances at Gateway Park was let to the Valley Engineers, Inc., of Fresno.

The bid was for \$42,192.50, approximately half the only other bids considered by the board.

Work will start, according to the contract within 15 days and will be completed in 100 calendar days, if all goes as anticipated, J. J. McGlade, district clerk, said.

The area to be serviced includes all property between Highway 40 on the north and Spring Hill road on the south and from State Rt. 89 on the west to the street just west of the Tahoe Forest Hospital on the east.

The contract calls for installation of 3,775 feet of eight-inch pipe, 2,775 feet of six inch pipe and 226 feet of four-inch pipe, together with manholes, cleanouts, etc.

The cost of the project will be shared by the property owners of the district involved and will be paid through issuance of assessment bonds which have been contracted for at the rate of \$94.50 per \$100. The exact amount due from each property owner will be determined after the work is completed and will be based on area served.

It is understood that property owners may either pay off their indebtedness at once or on the installment plan provided for in the bonds.

Admirals Here On Sunday For Game

The third place Babbit Bandits put together a double, walk, and a single to come up with one run in the bottom of the 14th inning and defeat the Truckee Mountaineers, 13-12, Sunday at Babbitt.

It was the second straight loss for the Mountaineers in the second half of the Sierra Nevada League and left them with a 6-3 record in second place. Threlkeld leads the pack with 9-0.

Bill Campbell, Bob Oates, and Otis Cluck each collected three hits while Craig Robinson and Oates each had a triple.

Ernie Pello, who relieved Louie Goicoa in the 13th, received the loss.

During the course of the game the Mountain Men committed 15 errors.

Sunday the Desert Admirals move in to the Truckee ballpark. Game time is 2:15.

In the free hitting game at Babbitt, the Mountaineers left 16 runners on base and the Bandits left 15. The game lasted for 3 hours and 57 minutes.

Truckee collected 17 hits and Babbitt 19.

Manager Al Wakefield said the infield errors by Truckee were too frequent as the boys had one of their real bad days, but said the wrinkles have been ironed out and that a good game with the Admirals is in store for the fans here Sunday afternoon.

GIRL SCOUTS ATTEND CAMP AT MEEKS BAY

Girl Scouts attending Camp Wasiu for the first session were Ann Morey, Karen Walker and Dawn Maynard from Troop 131. Linda Banyard, Lynn Quarty and Marcia Leamon are at present at the camp and those leaving on July 24 will be Judy and Linda Giovannoni and Dorette Rose.

Preceding the camp sessions, Troop No. 132 held a cook-out at Donner State Park when two patrols were formed and two separate lunch menus were prepared by the girls.

A trip to Reno on July 1 was enjoyed by the Troop, accompanied by their leaders, Mrs. Frank Giovannoni and Mrs. Robert Leamon. A tour of an ice cream company was a highlight of the afternoon, followed by a perusal of a famous gun collection. Lunch was enjoyed out of doors where a brief business session was also held.

BEN T. BIVENS DIES AFTER OPERATION

Ben T. Bivens, 49, for the past several years a resident of Truckee and recently employed by the Gibbons and Reed Construction Company, died in a Reno hospital Tuesday following an operation. He had been a patient at the hospital for two days.

The deceased was formerly a bar tender here and was well known throughout the area. He was a veteran of World War II. Bivens was born in Grass Valley October 27, 1909.

Funeral services were set for 2:30 this Thursday afternoon at the Hooper-Weaver Mortuary in Grass Valley. Interment will be in the Masonic cemetery there.

Bivens is survived by one brother and a sister.

Traffic Over Forty Shows Big Gain Over Last Summer

A total of 76,555 vehicles entered California by way of the Truckee quarantine station during June, exclusive of local cars and trucks, the department of agriculture's monthly traffic summary disclosed.

This marked an increase of more than 10,000 cars over the same month in 1957 and was nearly double the 47,144 checked at the state during May. The figure set an all-time high for the month of June.

The count showed 71,541 cars, 4,214 trucks and 800 buses. The passenger total was 195,567. Yerlington in southern California was the only station to exceed Truckee. There, 82,573 cars were checked entering the state.

The Meyers Station on Highway 50 also showed a marked gain with 28,958 cars 432 trucks and 119 buses with a total passenger count of 80,945. This exceeded the count for last June by more than 5000 cars and was 12,000 over May.

Gains were registered at most stations in the state and the 18 stations reporting showed 466,731 cars, 34,676 trucks and 4,591 buses with 1,375,330 passengers. This was 11,972 passengers over the same month in 1957.

The Woolford station which opened June 20 had the low count for last month with 532 cars and a passenger total of 1367.

THREE ARE HELD AS TAHOE HOME LOOTED

TAHOE CITY—Charles E. and Doris Pratt Constable, residents of Yuba County were sentenced to 90 days in the Placer County jail yesterday when they appeared before Judge Harry Charrison on a charge of entering and damaging property in the home of Mrs. Wilma Larsen at Kings Beach.

At the same time Clifford Cecil Barker, also of the Marysville area, was held to answer to the superior court under \$2,500 bail for burglarizing the Larsen home. Officers said a variety of items were taken from the summer home.

BOEHM HERE TO WORK FOR TAHOE TIMBER

E. E. (Pike) Boehm, who recently retired as ranger for the U. S. Forest Service has accepted a position as assistant timberman for the Tahoe Timber Company of Nevada and will be employed in this area, making his home at Tahoe City. Boehm was formerly ranger in the Truckee district before transferring to Hat Creek.

BILLBOARD PROBLEM TO PLACER BOARD

AUBURN — Placer County supervisors have been asked by the county planning commission to decide if billboards are to be allowed along the new US Highway 40 freeway in Placer County.

Commissioners turned the policy decision over to the supervisors after a special study session.

Tom Pugh, acting commission chairman, told the supervisors, "If you want billboards on Highway 40, we'll have to go along with you. If you don't want them, then that's the way it will be."

Commissioners asked the board to make known its policy decision within two weeks.

The commission said the billboard problem has increased since the opening of two new sections of freeway. A majority of the commissioners indicated they are in favor of complete banning of billboards on new sections of the highway.

CHURCH DANCES AT LAKE ARE SUCCESS

KINGS BEACH — The Friday night dances held during the summer at the fireside room of the Community Methodist Church at Kings Beach have so far proved successful beyond expectation.

The average attendance has been 224 on each occasion and they have been chaperoned by committees composed of the church members.

The affairs are open to youths between the ages of 12 and 19 years and are held between there's a very small fee for each person.

AT LAKE — The F. D. Hatfield family of Glendale is vacationing at Carnelian Bay.

Thousands Attend Donner Regatta; Affair Successful

Donner Firemen Pleased With Results Of Race On Sunday

The ninth annual Donner Lake Outboard Regatta has gone down in the records as the biggest and possibly the most successful event ever held at Donner Lake.

It was conservatively estimated at more than 7000 spectators witnessed the speedy little crafts on one of the most beautiful days of the year.

The carnival and barbecue were busy and all of the 500 dinners prepared by the latter were sold early. The dance at Donner Lake Lodge Saturday evening was limited by the size of the room as hundreds of couples gathered to dance to the five-piece orchestra.

The day was made more pleasant by the fact that there was not a single mishap — not so much as a boat flipping.

Dr. Robert Affeldt, president of the Donner Lake Volunteer Fire Department, expressed his appreciation to the scores of workers who made the affair such a resounding success. These workers were headed by Charles W. O'Beir, general race chairman. The fire department and auxiliary have spent weeks in preparation for the races.

Radio, television and newspaper coverage brought considerable publicity to the area and financially the department hopes to have cleared a neat sum to assist in building the new fire station, Dr. Affeldt said.

Al Brooks, Jr., of Stockton won the high-point perpetual trophy donated by the fire department. To

School Tax Will Be Same As Last Year

It cost \$535.08 per unit of average daily attendance in the schools of the Tahoe-Truckee Unified School District during the 1957-58 year, a decrease of \$14.75 per unit from the 1956-57 year.

This was revealed by Superintendent John S. Corbin at the regular meeting of the governing board of the district last week.

The board approved the tentative budget for the 1958-59 year and it will be published and a public hearing set for August 5. While the budget has not been formally passed, it was announced that there would be no change in the tax rate which will remain at \$1.75.

The board discussed the building program now going on and made corrections of a few problems which have been encountered.

The following teachers were employed: Virgil Mullis, 8th grade teacher; Mrs. Elizabeth Sitterle, 7th grade teacher; John Vick, language teacher, all at the high school, and Mrs. Leonora Ferrari, teacher at the Kings Beach elementary school.

The board voted to rent the facilities of the Kings Beach school to the Sacramento State College from July 7 to August 15 for \$800, plus costs of telephone calls.

OUTDOOR EXHIBIT OF ART AT DONNER LAKE

An outdoor art exhibit, arranged by Leah Churn and Pat Trower will be held July 27 from 10 in the morning until 6 p.m. at the west end of Donner Lake.

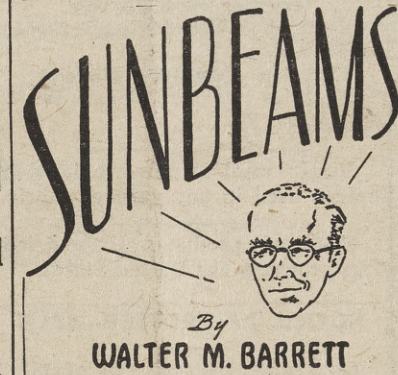

The exhibit will be on display near the Armstrong realty and will feature paintings by local artists. Those wishing to take part may call Mrs. Keith Reid for further information.

BRUNSWICK ROAD BIDS ARE OPENED

A low bid of \$144,207 was received by the division of highways Wednesday to surface 3.4 miles of Brunswick Road in Nevada County. The offer was made by Huntington Bros. of Napa.

Brunswick Road is a federal aid secondary county road that joins state Sign Route 49 near Town Talk and the Grass Valley-Colfax Road. The grading and realignment of the road was done under a contract completed in 1956.

The contract offered today calls for the placing of base rock and surfacing the entire route with plant-mixed material.

WALTER M. BARRETT

The success of the Donner Lake Regatta last weekend again exemplifies the power of unity. For several weeks prior to the holding of the event, members of the fire department and auxiliary worked diligently and for long hours making preparations, banded together for one purpose and the results were apparent. It was the biggest event ever held at the lake and was successful from every standpoint. This same spirit of cooperation and working together on other, and perhaps more permanent projects for the benefit of the community, would have the same result. It certainly offers conclusive evidence that there is strength in unity.

The critical fire season is once more upon us and although the district has thus far escaped any major conflagration, the danger still lurks. When entering the forest it is well to keep in mind the fact that one careless act with fire might start an uncontrollable blaze. One of the most frequently noted violations is that of thoughtless and irresponsible motorists flipping cigarettes from cars as they speed along. Blame for the disastrous fire which burned over thousands of acres from Boca to Verdi a few years ago was placed on just such a person. Let's not have another.

Stamp Prices Will Advance August 1

If you plan to do a lot of letter writing in the near future, it would be a good idea to get it done before August 1.

On that date the cost of mailing letters and post cards will advance, with three-cent stamps good only for local postage.

Mrs. E. C. Bavier, local postmaster, said the cost of mailing first class mail will advance one cent all along the line. That means that local mail will be three cents per ounce; regular domestic postage four cents per ounce, air mail letters seven cents, airmail post cards five cents.

Current supplies of stamped envelopes and cards may be used by affixing a one cent stamp thereto.

BAIL SET AT \$20,000 FOR RON LUSHENKO

Auburn Judicial District Judge E. T. Erskine has set bail of \$20,000 each on Ronald Wayne Lushenko, 27, and Eddie Steve Seccia, 22, on charges of assault with a deadly weapon and attempted robbery of John Vincent Santilli, 69, Placer county pear orchardist, now recovering from injuries at the Placer County Hospital. The pair remain in jail.

Lushenko is on \$10,000 bail in San Francisco for a charge of hijacking a truckload of coffee and is due to be tried in the Nevada County Superior Court a second time on a charge of boat and motor theft at Donner Lake. The first jury voted 11-1 for acquittal.

LAKE CONCERTS ARE ENDED FOR SUMMER

The Lake Tahoe Music Camp concluded their two weeks summer study with a final concert last week end under chairman and director Keith Macy of the University of Nevada music department. Sixty high school students from Nevada and northern California took part in the two weeks program, sponsored annually by the university and the Nevada Music educators.

BEE CARRIERS GIVEN TRIP TO SEE GIANTS

Steve Davis, Joe Straub, Clark Kydd of Truckee and Steve Yeager of Tahoe City arrived home Sunday evening tired but happy after a trip to see the Giants and Braves play ball and a tour of interest at San Francisco.

The boys were taken by the Sacramento Bee on a chartered bus for carriers of the capital paper.

Program To Mark Freeway Opening Set For August 13

State Line-Floriston Road To Be Dedicated In Ceremonies

The ribbon cutting ceremonies, marking the official opening of the freeway between the Nevada state line and Floriston, was set for August 13 by the directors of the Truckee Chamber of Commerce at a luncheon meeting held at Donner Lake Lodge yesterday.

The new date was established after Edwin Whitnack, resident engineer on the project, explained that the work was a little behind schedule and that work should not be completed before that time.

N. F. Doley, who presided at the meeting, said preparations will now start for the ceremony. It is proposed to have the ribbon cutting between 11 a.m. and noon to be followed with a luncheon at Smart's immediately thereafter.

Several state dignitaries will be invited to participate, including Governor Goodwin J. Knight, State Senator Harold T. Johnson, Assemblyman Francis Lindsay and others as well as division of highways officials.

The opening of the freeway will mark the first step in completion of the freeway across the Sierra on Highway 40.

A discussion of the feasibility of incorporating the district was also featured at the meeting.

Plans Made For 1960 Census Here

Preparations for taking the 1960 census during April of that year have been started, according to word from the U.S. Department of Commerce, Bureau of the Census.

In a joint program with the state and each of the counties, the bureau is establishing areas to be known as "Census County Divisions" for use in statistical reporting. In Nevada County the divisions will be Grass Valley, Nevada City and Donner divisions.

Marvin Gordon, a member of the census staff is out from Washington to consult with county officials and to solicit their advice in regard to the proposed areas.

Gordon assures that the county divisions set up by the bureau will not interfere with existing governmental units of the state or counties.

It is believed that the county divisions will be particularly useful for local administration purposes. For the most part they are based on the population centers which serve as the focal points of each community. Easily recognized features are used as boundaries for each division.

The statistical data collected for these divisions will serve to measure the sphere of influence exercised by the population centers.

ITINERANT SERVICE HERE DISCONTINUED

Ralph Pyle, manager of the Auburn office of the California Dept. of Employment, announced that the itinerant service at Truckee is now discontinued.

All persons in the area should go to the Auburn office for payment of unemployment claims, opening claims or if seeking employment.

LAKE VISITOR BURNED BY SCALDING COFFEE

Second and third degree burns on her right leg were suffered by Mrs. Dorothy Crooks of Avalon Monday when a pot of scalding coffee, spilled. She was taken to the Tahoe Forest Hospital for treatment. Mrs. Crooks was vacationing at Meeks Bay when the accident occurred.

MRS. POLYANICH IS GREAT GRANDMOTHER

Mrs. Tony Polyanich has acquired a new status, that of great grandmother, upon the arrival, June 19 of a daughter to Mr. and Mrs. Lowell Barton of McKinney, Texas.

The young father who formerly lived here is the son of Captain Eugene Barton, the son of Mrs. Polyanich.

The newest member of the family has been named Geanne Reva.

Survey Started On Donner Summit For More Freeway

The division of highways announced today that two survey parties have been assigned for work on Highway U. S. 40 between Soda Springs and Donner Lake. The parties are establishing the center line for the eastbound lanes of a freeway proposed for this section of highway, District Engineer Alan S. Hart announced.

The freeway routing for this 10.3-mile section has been adopted, and plans for the construction are well advanced.

Actual construction of this section, a portion of the 34.5 miles of Highway 40 between Sacramento and the Nevada State Line not now constructed, or under construction, to four-lane status, depends upon availability of financing and action of the State Highway Commission.

Construction of the freeway from the Nevada state line to Donner Lake and from Hampshire Rocks to Soda Springs, joining the east and west terminals of the proposed summit project are now under construction and scheduled for completion in 1959.

The proposed route of the Soda Springs-Donner Lake section will be a mile north of the present summit crossing and will skirt Donner Lake on the north approximately a quarter to a half mile from the present route, joining the freeway now under construction near the Donner Monument.

It will not be possible, highway officials declared, to have the summit section completed before the 1960 Winter Olympic Games. It is also doubtful if Nevada will have its four lane ready by that date.

AIR PORT PLANS ARE ADVANCED AT MEET

A survey to further develop the plans for the Tahoe-Truckee Airport was authorized at an informal meeting of directors of the district and Arthur Kendall, field representative for the State Aeronautics Board here this week.

Zeph Rose, chairman of the district board, said the survey will determine the contours and other necessary data pertinent to future construction. The cost of the survey will be financed jointly by the state and district with the later delaying payment pending receipt of state gas tax refund.

The work will be done in the near future and future plans for operation of the port will hinge largely upon the outcome.

CHURCH JUNIORS TO HOLD DANCE JULY 21

The junior high youth group of the Methodist Church is sponsoring a dance in the church basement on July 21 from 8 to 10:30 p.m. and are inviting all the young people of the community to attend. Tickets are being sold by the members and will be on sale at the door. There will be refreshments and entertainment as well as dancing.

VETS SERVICE MAN TO BE HERE FRIDAY

A representative from the Nevada County Veterans Service office will be in Truckee on Friday, July 18, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of justice Fosten W. Wilson, justice court, during the hours indicated.

ACCUSED LAKE MAN IS ON \$20,000 BAIL

AUBURN — Bail of \$20,000 has been set for Edward Vincent Driscoll of Kings Beach, Lake Tahoe, after his arraignment in justice court on charges of assault with intent to commit murder and assault with a deadly weapon.

Driscoll is accused of wounding gambling casino dealer Michael Gary in Kings Beach Friday with one of three shots fired at him. Gary is in a Reno hospital.

Driscoll told officers he fired the shots after he saw Gary with Mrs. Driscoll. He said he warned Gary before about accompanying her.

FROM SOUTH — Miss Renee Hall who has been taking advanced lessons in dancing at Long Beach will return the latter part of the month to resume her classes as a teacher of dancing.

Woman Killed As Car Plunges Into River Near Farad

Several Injured As Auto Accidents In Region Reported

Mrs. Josephine Emily Judd, 67, Idaho Falls, Idaho, was killed and her daughter, Mrs. Blanche Gaines, 35, and the latter's daughter, four and a half year old Josephine Gaines were critically injured in a one-car accident at Farad Sunday morning at 1 o'clock.

Sergeant Frank Snyder of the California Highway Patrol said the right front wheel of the car driven by Mrs. Gaines dropped off the pavement into the center section of the new freeway project causing the driver to lose control. In attempting to pull the vehicle back onto the paved section, the car swerved sharply to the left and plunged into the Truckee river canyon.

The two injured were taken to the Tahoe Forest Hospital and the body of Mrs. Judd was taken to the Truckee Colonial Mortuary.

Other Accidents

Louis Ramirez, 22, Truckee was treated at the hospital after his car sideswiped two others which were parked. One of the two owned by Gary Whitehead of Shoshone, Idaho, was illegally parked, Sergeant Snyder said and the owner was cited. The second car was owned by Earl Brown of Brown's Cafe.

Mrs. Phyllis Snyder, wife of the patrol sergeant, is in the Tahoe Forest Hospital with severe neck injuries suffered Saturday afternoon at 5 o'clock when the car she was driving was struck in the rear at Gateway Park by one driven by Carroll Day of Grand Fork, North Dakota. Day told investigating officers he reached to the floor of the car and momentarily took his eyes off the car in front. When Mrs. Snyder slowed to permit another car to turn at the intersection the Day car struck.

Three passengers in a car driven by Dorotheo Laurento, 50, Stockton were taken to a Reno hospital after the vehicle ran into a ditch on the construction zone a mile and a half east of Floriston. The driver and Marcelo Tubang, 55, and Francisco Toay, 63, also of Stockton, were injured.

Accused Forger Is Held At Auburn

Lawrence Hammer, 18, San Francisco, was being held by Placer County authorities on charges of forging checks in ten cities of two states, including Truckee, Kings Beach and Tahoe City.

The identity of the youth had officers guessing for some time but Undersheriff Fay Bates said identity was made by his mother, Mrs. Sarah Hammer and with a birth certificate.

The youth had used numerous names and ages and had papers identifying him as Rodger Allen Balati and Melvin Anelrod. He had a marine corps sergeant's uniform and an army sergeant's uniform as well as civilian clothes.

The suspect had been sought by officers in Carson City, Reno, San Francisco, Hayward, Oakland, Grass Valley and locally.

Among the victims of the bum checks in Truckee were Oil City, McReynolds Sporting Goods, Richards Garage and Welch's Hardware. The worthless documents were made out up to \$50 each, Deputy Sheriff Roy Waters said.

WYETHIA CLUB WILL HOLD MEET JULY 18

Hostesses for the July 18 meeting of the Wyethia Club will include Mesdames William Randall, William Englehart, Sr., E. L. Loynd, Erwin Single, Glenn Miller, M. C. King, A. C. Polyanich, Elmer Brown and Miss Ella Waters.

The one o'clock luncheon meeting will be held in the club house on West Riverside Drive and Mrs. Edward Meiss will give a book review on "Eat and Grow Younger" by Lelord Kordel.

The subject is said to be a challenging guide to relaxed living in the present over tense world and delightfully amusing.

Members are urged to take guests and newcomers to the community are cordially invited to attend.

BOB SEIBOLD WINNER OF UNIQUE GOLF GAME

Robert Seibold won the trophy at the annual Lions Club Dick Little Memorial one-club golf tournament held at the Tahoe City course on Wednesday, July 9.

Second place went to Zeph Rose while Duffy and Jay Richards tied for third and Everett O'Rourke and Angelo Besio tied for fourth.

Following the tournament, the Lions enjoyed a cocktail party at the home of Mr. and Mrs. Floyd Carnell and held their regular dinner meeting at the Pfeiffer House.

PUBLIC NOTICE

July 10, 1958
Notice is Hereby Given that ap-
plication was made on the 18th day
of June, 1958 by the Western Union
Telegraph Company to the Fed-
eral Communications Commission
to close the Agency Operated of-
fice at Brockway (Lake Tahoe),
California, during the off-season,
May 1 through June 9, each year.

If application is granted, substi-
tute service will be available from
the Western Union Telegraph Com-
pany's office at Tahoe City (Lake
Tahoe), California.

Any member of the general pub-
lic desiring to protest or support
the closing of this office may com-
municate with the Federal Com-
munications Commission, Wash-
ington 24, D. C., on or before July
30, 1958. J10-17

PHONE COMPANY IN BATTLE ON BEETLES

"Attention all cars — telephone
company cars, that is — be on the
lookout for 'The Beetle', the tin-
iest criminal to hit these parts
in years. Listen carefully to this
official description.

One-thirtieth of an inch in di-
ameter, one-tenth of an inch long;
blackish-brown color. Favorite
dish: telephone cable. That is all."

You may never hear this broad-
cast over the shortwave radio,
but according to E. J. Bean, local
manager for Pacific Telephone,
"The Beetle" is a desperado to be
reckoned with.

Its true name is Micracis Hirel-
lus Lect, alias "shrub bark beetle".
Telephone men call it the "cable
boring beetle."

Its favorite trick is to chew a
hole in the bottom of a lead or
plastic cable sheath and crawl in-
side where it's cozy and warm.

This is fine for the beetle's
peace of mind, but it causes min-

ute, hard-to-find leaks in the cable
and sometimes results in line
trouble during the rainy season.

However, the felon's days are
numbered. After much experimen-
tation, phone company trouble
shooters have come up with a re-
sinous coating containing the pow-
erful insecticide, Dieldrin. Tests
indicate the mixture, painted on
cables, retains its potent beetle-
killing properties for several years
in all kinds of weather.

20 Years Ago In The Sierra Sun

From the files of Sierra Sun Twenty Years Ago
Diplomas were presented to 12 graduates of the Truckee high school at a ceremony June 10 in the grammar school auditorium by Walter M. Barrett, president of the school board. The graduating class included Margarie Everett as valedictorian who spoke before a capacity audience, followed by the address of welcome by Douglas Barrett, salutatorian, Eva Moro, Juanita Ogan, Flori Digesti, Ida Stewart, George Zorich, Robert Bowers, John Sabini, Frank Titus, Wallace Watkins and Karl Kielhofer.

G. E. Hofman, principal was presented with a gift in behalf of the class by Robert Bowers. Professor H. S. Tyler, dean of counselors of Sacramento Junior College gave the principal address.

Barbara Bollinger and Yvonne Joseph were heard in several pleasing musical selections.

Richard Joseph is rushing to completion a new service station at the Truckee-Tahoe Wye and he

Speaking of Public Safety

Man instantly killed on dark street in western city. Figures prove that better lighting cuts night traffic toll at least 50 per cent. In one instance traffic deaths were cut 100 per cent by improved highway lighting.

COUNTY ASSESSMENT SHOWS LARGE GAIN

Total Nevada county assessments increased by \$279,330 over last year, Assessor Charles R. Kitts has disclosed. The official figures were submitted to the Board of Supervisors.

The total county secured assessment roll for 1958-59 is \$24,144,100, Kitts reported. After veteran and welfare exemptions totaling \$1,517,920 are accounted for, the roll totals \$22,626,180.

The increase in the secured roll over last year came to \$125,860, and the jump in the unsecured roll was \$153,470.

entertainment features. In spite of milling crowds, dense traffic and jammed business places, officers reported that there were no accidents and the three days celebration passed without any disturbance.

plans to start an auto camp in the new district.

Construction of the main portion of Boca Dam is underway according to the Bureau of Reclamation, to be rushed to completion this year.

Clean streets surprised early rising Truckeites on July 7. A. Armat, local garbage collector and three assistants had spent the entire night cleaning the streets.

The Truckee Volunteer Fire Department, with the help of business organizations held a Fourth of July Fete with a full program of en-

WHAT'S DOING

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

MEET THE NEW MANAGER

Pictured above is Ed Bean, who recently joined the local telephone family as the new manager for this area.

Ed was born at Mount Shasta, Calif. After graduating from high school, he was a pilot in World War II in the U.S. Airforce. He started his career with the telephone company as a construction lineman, transferred into the commercial department as a salesman and from there to assistant manager at Redding and from Redding to Manager at Quincy. He is now happy to be manager in this area.

Your new telephone company manager is married and the father of two daughters, Vernice and Carolyn. It is our pleasure to be your neighbor and at any time we can be of assistance in our community endeavors, we want to be available and helpful.

Ed Bean

You're likely to see earth-boring machines like this one in action almost anywhere today. They're digging holes for new telephone poles. It takes only five or ten minutes to dig a hole, thanks to machines like this. Then power drills and pole-setting rigs help us put the poles in their places. With all these time savers, a two-man crew can usually put up about 15 poles in one day. You'll find phone people using the newest and fastest methods on all kinds of jobs. That means we can do a better, more efficient job for you.

VOICE OF TURTLE TO BE OFFERED AT LAKE

KINGS BEACH—"The Voice of the Turtle," a comedy in three acts by John van Druten, has been chosen as the first drama production of the Sacramento State College Lake Tahoe Summer Session in Kings Beach, Calif. Mr. Robert Wyman, head of the drama department this summer, states that the cast has been chosen and production is under way.

Although the plot of the play is contrived with the artful ingenuity which is to be expected in any van Druten play, the interest centers largely upon a most charming and attractive young man and an equally attractive young woman who, by gradual stages, fall in love with each other.

Taking the role of Bill Page will be Jack Burrill, a drama teacher from Fairfield, Calif. The part of Sally Middleton will be filled by Jill Simonsen, with Jan Fitzpatrick portraying Olive Lashbrook. College plays are new for both Miss Simonsen and Miss Fitzpatrick as this is their first semester of college education.

Presentation of the play will be at the Kings Beach Elementary School in Kings Beach on Friday and Saturday nights, July 18 and 19, at 8:30.

ARMY EXPERIMENT—A long-term "research project" at Walter Reed Army Medical Center's Prosthetics Research Laboratory, Diana Beckett looks in full trust as Chester Shelton, orthopedic technician, measures her for another in a series of artificial arms which will continue to change as she matures.

SPEED SKATERS WILL COMPETE AT SQUAW

STOCKHOLM—European speed skaters will compete this winter at Squaw Valley, chairman of the Swedish Federation, Seven Laaftman, said.

At the ISU conference in Lugano it was decided to accept the American Olympic committee's invitation for next February.

Sweden, Norway, Finland and the Soviet will send three skaters each; Holland two; Austria, France, East Germany, Italy, Poland and England one each.

The teams will leave Europe on Feb. 18, the day after the world championships in Oslo and visit Zurich, New York, Colorado Springs, San Francisco, Reno and Squaw Valley. The team will probably take part in some contests in Japan, China and the Soviet Union during the home journey. According to Laaftman, negotiations with these countries are still underway.

The American hosts will pay for the journey and all expenses plus \$100 per person.

FIRE DESTROYS LAKE CABIN WEDNESDAY

TAHOE CITY—A fire which started in the kitchen destroyed a cabin at North Road Lodge, two miles south of here on State Route 89. Firemen estimated the loss at \$10,000.

The cabin was owned by George Mead of nearby Tahoe Park and was rented, but the occupants were out when the blaze broke out Wednesday night. Firemen said the fire probably started from a leak in the stove.

The Tahoe City Volunteer Fire Department quelled the fire after it spread to nearby trees. They also saved two adjoining cabins.

Man Is Held After Home

At Kings Beach Looted

KINGS BEACH—Constable Richard Lavery of Kings Beach reported apprehending Frank B. Mossynski in the act of burglarizing the home of Ann Woodland in Tahoe Vista last Thursday morning. When questioned by Lavery and Sergeant Bud Rabaska, the suspect is said to have admitted seven burglaries.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

REMODELING

The Tahoe City Garage owned by Joe and Marie Henry, is undergoing a face lifting and aiding in this remodeling is Martin Spitsen who worked on the original building

when erected in 1934. They will now have a lube room and a hydro-matic room. Although many of the old time buildings have been changed, the nice part is all of the old timers and long time residents stay just the same. Progress is necessary but sometimes a little sad, when you look back at the "good old days."

REBUILDING

Although one of the cottages of

HOW TO DRIVE

A tip from the AAA's driving guide for adults.

DON'T DRIVE WHEN UPSET

Driving after quarrels and misunderstandings, or when you are preoccupied with financial worries, home troubles or personal fears, increases your chances of having an accident. Emotional upset can make even the best driver temporarily accident prone.

Operating an automobile is a full-time job and one for sensible, level-headed people. You can drive well only when you concentrate on driving. Learn to control your emotions. Before you get behind the wheel, cool off.

The North Road Lodge on the west shore of the lake, owned by George and Milly Mead, was completely destroyed, the quick efforts of the Tahoe City Volunteer Fire Dept. prevented the damage from being more wide spread. The cause of the fire is still undetermined. The fire broke out last Wednesday evening about 10:30 and according to all, the volunteers were there two minutes later. The damage is estimated at about \$10,000. The lost cabin is being rebuilt in a hurry by Bert Brolund, so the Meads will again have their three cabins and large home in perfect order. They asked that I express their appreciation for the quick response on the part of the volunteers (also a thanks was sent by the other tenants of the cabins). Just bare out what was said last week.

NATIONAL ACCLAIM

Good publicity is always essential to a resort area such as ours and such was the case when a national magazine, "Seventeen" gave editorial mention to one of our local businesses. This is wide spread publicity, because, "Seventeen" has a circulation of almost 2,000,000 and a readership of about 4 million. Chosen for this mention was the Riviera Shop of Kings Beach, Bijou, and which has just opened a new shop in the Tahoe Tavern at Tahoe City.

FOUR GENERATIONS

Within the next two weeks four generations will celebrate their birthdays in Marie Henry's family. Taber Fox, July 13th; mother Pat Fox, July 27th; grandmother, Marie Henry, July 19; and great grandmother, July 29th.

JUNIOR REGATTA

The Tahoe Yacht Club is sponsoring three Junior Yacht Club Regattas this year, the first to be held on July 20th at Obexer's Boat sales at 9:30, the other two are scheduled for 9:30 on Aug. 17th at Sierra Boat and 8:30, Aug. 24th at Chamber's Lodge.

The entrants for the race need

not be Junior Yacht Club members, but must register 15 minutes prior to the race at the judge stand. Entrance fee for the season is \$1. Classes—7 1/2 horse—13 years or younger, Class B Hydro, 20 years or younger, Class B Utility—20 years or younger, Runabouts—19 horse and under, 20-26 horse, 27-36 horse, and 37 and over horse. The chairman for the Regatta are R. Stanley Dollar, Fred Main, Morlen Visail, Randolph Walker, J. Alan Bray, Herb Obexer, Alan G. Bray and Ralph Pier. Trophies will be awarded for 1st to 3rd in all classes. For further information

BIRTHDAY PARTY IS LAKE ATTRACTION

Hubert Hensley of Donner Summit was honored at a birthday picnic held Sunday at Bliss State Park. Hensley's birthday was on July 10.

The sumptuous picnic lunch was shared by Mr. and Mrs. William Steenis and son, Bill, and Miss Darlene Bicker of Reno, Mrs. Linda

contact Alan G. Bray at JU 3-3678. Sounds like a lot of fun and a challenge to you youngsters and a great way for the adults to spend a day, nothing is more thrilling than a good race on water...so, see you there.

NEW STAIRWAY

Hats off to the Tahoe City Women's Club for the decision to help improve the Tahoe City Commons. This group of ladies has offered the Improvement Committee of the Commons, new permanent steps down to the Common's Beach. And if you have ever walked down those rickety ones that now exist you'll be as happy as the committee. These existing steps are not only dangerous but a definite eye-sore to the area. So thanks to the foresight of these ladies another improvement has been added to our beach area.

RETURN TO IDAHO

Ronald and June Grinstead left the lake Sunday to return to their new home in Idaho after a month's stay at the lake. As June put it, they are leaving their home at the lake for Idaho and will return next summer. Once a Tahoeite, always one. Hate to see you go but will be waiting to see you all next summer—keep in contact and let your friends know what you are doing.

NORTH TAHOE

By JUDGE HARRY CHARRISON

LAKE TAHOE LIONS

At the last meeting of the Lions Club a distinguished speaker was Arthur Secord, professor speech. Secord has spoken in 41 states as well as most countries in the world. One of his books is "How to Tell What You Know." His most peculiar talk was "Cleaning Hay Stacks," but it was most interesting and kept the good gathering on their toes through out with his many anecdotes.

SOLD

Now it can be told — of all things — the Fred Schultz's have sold their property the "Siesta

Pines" and have already purchased the Vercoe home in Tahoe Vista. The lucky buyers are Henry and Marie (Midge) Smith of Palo Alto. We sure welcome the Smiths to our beautiful community.

PARTY

We were at a cocktail party with the Fay Bergman family at their new home on Brockway hill. Also present was Dr. Prescott, Beverly Newell, Miss Beverly Bergman, their father and mother Mr. and Mrs. C. W. Brodeur and granddaughter Virginia Baldwin from Hayward.

NOW OPEN

The brand new garage and station of Ray and Mike is now open and it is a beauty too. On the same ground as the former station. See Ad.

LAKE VISITOR BIG WINNER AT RESORT

KINGS BEACH—Miss Peggy Behm and Miss Tulla Weber returned to their homes at Oakland after a bountiful windfall for Miss Behm, in the form of \$5,000 which she was fortunate in receiving last week end at Bal Tabarin, Crystal Bay. Pictures were taken of the happy event.

The elated visitors had been guests at the motel of Mr. and Mrs. Andy Sorensen at Kings Beach for a vacation of two weeks.

WEDDING BELLS

Our popular Barbara Mallory has taken herself a husband and he is a very swell gentleman from Los Angeles. Just had a visit from them and just love the two of them. Happy days and many of them, Mr. and Mrs. Loren A. Coryell. Oh yes, Barbara is in the realty business in Kings Beach.

ON VACATION

Mr. and Mrs. Leonard Pitcher are up from North Hollywood and staying with the Harvey A. Klitzke's on the Golf Course. Mrs. Ella Blake is back from Richmond for a visit.

OPEN

Wendy and Ginger Schumacher are now in their good market in Kings Beach, the Tahoe Food Center, after a winter in Iowa. Ginger is in the Kings Beach Beauty shop.

CHURCH NOTES

TRUCKEE BIBLE CHURCH

The Tuesday Bible Class met at the home of Mrs. William Englehart, Jr.

The Wednesday Power Hour service will be held at 8:00 P.M. for the remainder of the summer months.

There will be an instruction class next Sunday at 3:00 P.M. on real meaning of the sacrament of baptism, prior to a baptismal service to be held in the near future.

Teen Time will meet at the patio of the Wes Boyer home Friday at 1:30 P.M.

Sunday evening at 7:30 one of the most outstanding full length Christian films will be shown at Christian Cinema. The recently filmed "Seventeen" is not a musical in the categorical sense, but its melody will linger long in your memory. Ralph Carmichael's superb musical score, the winsome voice of Betty Terrell Mills, the high school gang — all give to "Seventeen" a special, lingering charm. Don't miss this film treat!

The morning worship service message will show how the Old Testament pointed to Christ as "The Way, the Truth, the Life."

Community Methodist Church

John Albert Taylor, pastor

Church School: 9:45

Morning Worship: 11:00

Youth groups: Monday evening at 7:00.

We live in perhaps the most exciting period in history. Modern man moves faster, thinks quicker, and knows more than any of his predecessors. The world of science has radically changed the life of man. What has religion to say to a world of atomic power and artificial satellites? Pastor Taylor will discuss this question in next Sunday's sermon entitled: "Is the Old Time Religion Good Enough?"

CATHOLIC CHURCH

DELINQUENT TAX IN COUNTY \$52,477.27

The delinquent roll for county taxes for the fiscal year which just closed amounted to \$52,477.27, County Tax Collector Elma Hecker has reported.
 This means that, that sum remains unpaid on the secured roll and public utility charges of \$1,662,251.40 for the year of 1957-58.
 Payments in some detail follow:
 Regular secured tax charge 1957-

1958, \$1,065,352.88.
 Public utility tax charge \$596,898.52.
 Total tax charge \$1,662,251.40.
 Paid during November, December 1957 and January, February, March and up to April 10th, 1958, \$1,587,498.21.
 Unpaid taxes as of April 10th, 1958, \$74,753.19.
 Paid from April 11th, to end of May, \$11,119.20.
 Paid June month, \$11,156.72.
 Unpaid-delinquent roll, \$52,477.27.

Auburn Unemployment Office Ready For Change

All is in readiness for the Auburn office of the department to begin taking claims for extended unemployment insurance benefits under the federal temporary unemployment compensation act, Ralph A. Pile, manager, said today.
 His announcement that he had received the necessary procedures and had trained his staff in them followed the decision of Governor Goodwin J. Knight that California would join other states in participating in the new federal-state program. In making the announcement, Governor Knight said that the California attorney general had ruled that H. W. Stewart, director of the department of employment, had the authority to enter into the necessary agreement with the federal government. Knight instructed Stewart to execute the agreement, and it since has been signed in both Sacramento and Washington.
 Any person who has exhausted his regular California insurance claim, or benefits under federal laws which provides unemployment compensation for veterans or federal employees, since July 1, 1957, and is unemployed on July 7, 1958, may file a claim for extended benefits.

STATE OF CALIFORNIA
 STATE WATER RIGHTS BOARD
 1401 21st Street
 P. O. Box 1592
 Sacramento, California

NOTICE OF APPLICATION TO APPROPRIATE WATER

Application 18006
 NOTICE IS HEREBY GIVEN, THAT United States Department of Interior Bureau of Reclamation Region IV P.O. Box 360 Salt Lake City 10, Utah has under the date of February 18, 1958 applied to the State Water Rights Board for a permit to appropriate unappropriated water, subject to vested rights.
 Description of Project
 Water to be appropriated from Prosser Creek tributary to Truckee River.
 In the County of Nevada.
 Amount applied for: 30,000 acre-feet per annum.
 Diversion season named: January 1 to December 31 of each year.
 Water to be used for irrigation, fish culture, flood control and recreational purposes.
 Point of diversion within NW 1/4 of SW 1/4 of Section 30, T18N R17E, MDB & M at Prosser Creek

Dam.
 Points of diversion: The water is released from Prosser Creek Dam to Prosser Creek and flows to the Truckee River. From the Truckee River a portion of the water is diverted to Truckee Meadows lands at a point 1,520 feet, S8°33'W from NW corner Section 29, T19N, R18E, MDB&M and at a point 5,760 feet S 22°29'E from NE corner Section 7, T19N, R20E, MDB&M, as well as at numerous points in between. The remainder flows in the Truckee River to Derby Dam, 2,725 feet N32°45'E from SW corner Section 19, T20N, R23E, where it is diverted through the Truckee Canal to Lahontan Reservoir, 3,850 feet N32°45'E from SW corner Section 33, T19N, R26E. It is released from Lahontan Reservoir into the Carson River and diverted to the Newlands Project lands at Carson Diversion Dam, 1,885 feet N56°30'W from SE corner Section 19, T19N, R27E, and at Sagoupe Diversion Dam, 3,620 feet N43°00'E, from SW corner Section 4, T19N, R29E, as well as at numerous points in between.
 Place of use described: Water to be used within Truckee Meadows having a gross acreage of 36,340 and a net irrigable acreage of 26,800 acres being within T18N to T20N, R18E to R21E, MDB&M; and Newlands Project having a gross acreage of 107,140 acres and a net irrigable acreage of 70,000 acres within T17N to T20N, R24E to R31E, MDB&M, as shown on map filed with State Water Rights Board.
 Relative to Protests
 Blanks upon which to submit protests will be supplied free upon request.
 Any person desiring to protest against the granting of such permit shall within 60 days from date hereof file with the State Water Rights Board, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the approval of the application and shall contain the following information:
 1. Statement of the injury which would result to protestant from such appropriation and use.
 2. The basis or protestant's water right.
 3. Protestant's past and present use of water both as to amount used and land irrigated, or use made of water if other than irrigation.
 4. The approximate location of protestant's land or place of use and point of diversion of the water.
 A copy of the protest should be sent to the applicant and this office notified that the same has been done.
 L. K. Hill
 Executive Officer

SOUTH TAHOE SCHOOL BOND UP FOR SALE

The \$389,000 bond issue of the Lake Tahoe Unified School District (El Dorado County) was purchased Monday, July 14, by an underwriting group headed by Bank of America N.T. & S.A. The group bid a premium of \$189 for a combination of 5 per cent, 4 1/2 per cent, 3 1/2 per cent, 3 per cent, and 4 per cent bonds, or an average net interest cost of approximately 3.96 per cent to the district. The bonds were re-offered to investors by the Bank of America N.T. & S.A. underwriting group to yield 2.0 per cent out to a dollar price of par for the bonds according to maturity July 1, 1959-78, incl.

Over \$585 million for civic improvement, required by California's rapidly expanding economy, has been supplied by Bank of America account underwritings during the past twelve months. The Bank and its underwriting group, through successful competitive financing, provides California communities with an assured source of funds for all public facilities such as schools, water and sewer systems and hospital facilities.

Included in the Bank of America N.T. & S.A. underwriting group, which purchased the \$389,000 Lake Tahoe Unified School District are the following associates: Blyth & Co., Inc.; Weeden & Co.; Dean Witter & Co.; Merrill Lynch, Pierce, Fenner & Smith; William R. Staats & Co.; Stone & Youngberg; C. N. White & Co.

PUBLIC INVITED TO LOCAL BEAUTY SHOW

The public is invited to attend the judging of the Maid of California contest to be held at the Veterans Memorial Building in Grass Valley on July 26 and to enjoy the entertainment which will follow.

Len Gilbert, publicity chairman for the event, said applications are coming in and invites local girls to fill out the blank elsewhere in the Sierra Sun today and join in the contest. Prizes will range from \$50 to \$100 with wardrobes.

The winner will compete with other county winners for the Maid of California position at the California State Fair.

SACRAMENTO FIRM IS LOW ON FREEWAY

An offer to construct an 11.5 mile section of four-lane freeway between Roseville and Newcastle for \$6,946,992 was received by the division of highways today. The low offer, one of the seven received, was submitted by A. Tiechart & Son of Sacramento.

The new section of freeway will connect the existing four-lane facility one-half mile east of Roseville to the recently opened freeway section one mile east of Newcastle. Highway officials said the completion of this project late in 1959 and the completion of other such projects now underway, will provide approximately 61 miles of uninterrupted four-lane divided highway from Sacramento to near Monte Vista.

The contract on which bids were opened today calls for grading and paving the four-lane divided freeway on new alignment south of the existing route of Highway U.S. 40. The route will bypass the communities of Rocklin, Loomis and Penryn.

Today's contract is the last of the five projects planned for this fiscal year on Highway U.S. 40. With the completion of this project only 34.5 miles of the distance from Sacramento to the Nevada State Line will remain to be developed to freeway status.

DIVIDEND DECLARED BY BANK OF AMERICA

A regular quarterly dividend of forty-five cents per share was declared on Bank of America National Trust and Savings Association capital stock by the bank's board of directors meeting July 15 in San Francisco.

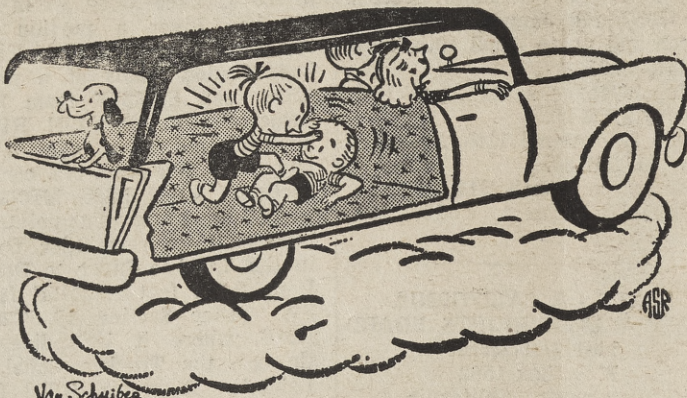

The dividend, payable August 29 to shareholders of record August 8, is at the annual rate of \$1.80 per share.

PASTEL CUSPIDOR

Heller's Variety Store is displaying an almost extinct article on the American scene a pastel shaded cuspidor, of the year 1854. The household accessory of more than 100 years was made in Ohio and a part of the collection of Mr. and Mrs. Heller.

Coming . . .

Four Wheel Padded Cell?

What with satellites and other cosmic aspects of travel we're all a little inclined to h-hum any mode of transportation slower than the speed of sound. However according to Mobay Chemical Company, before long we may be traveling in a four-wheel equivalent of a padded cell. This makes ground transportation take on a new interest.

The padded cell possibility is inspired by taking a look at all the possible applications of urethane foam in automobiles. (Urethane, incidentally, is one of the newer test-tube foams which has more lives than a cat and is a lot more adaptable.)

Future foam-packed cars will include urethane foam "upholstery" for inside the doors, trunk liners, padding of the back of the front seat (to protect backseat riders), underlay for the car rug, and "headliners" which are pads of urethane foam on the ceiling of the car. These, combined with featherweight urethane foam for seats and armrests, foam-wrap the car into a mobilized padded cell.

In many automobiles, you'll find urethane foam in as many as six places in the car. It's in safety panels (the automobile industry has an understandable aversion to the word "crash pad") as a shock-absorbing cushioning. Result: If you do use a little headwork on the instrument panel, the foam, not your cranium, takes a lot of the shock. Other safety-angled foam paneling is found in sun-visor pads, horn-button pads (you'd be surprised how many people hit the steering wheel) and armrests. Urethane foams, unlike other foam, can be cut, stitched, and otherwise tortured into place—hence their versatility.

Because urethane foam is remarkably lightweight (less than half that of foam rubber), it is used for such practical applications as pads for station-wagon rear decks which can double as mattresses on camp-out trips.

Some of these facts and predictions which come from the Mobay Chemical Company, are based on research on urethane chemical in its own labs and reports from its customers. The Company hastens to add, however, that its concept of a padded cell on wheels refers to the safety, not the sanity, of the driver-of-the-future.

VISITS BROTHER

TAHOE CITY — Mr. and Mrs. John Kohler of Wapakoneta, Ohio, brother in law and sister of Carl Bechdolt, Sr., have been visiting Mr. and Mrs. Bechdolt and other relatives and friends at Tahoe City for the past few weeks.

HOSPITAL PATIENTS

Patients at the Tahoe Forest Hospital this week included James McIver of Truckee and Carl Abbott of Tahoe Pines both being treated for pneumonia and Wendell Russell of Russell Pines, Tahoe City, a medical patient.

DAUGHTER BORN

Mr. and Mrs. Charles Graham of Verdi are the parents of Ilene Elizabeth Graham, born Friday, July 11 at 5:30 a.m. at the Tahoe Forest Hospital. The little girl weighed 8 pounds, ten ounces.

LINDSAY GRATIFIED BY OIL LEASE OFFER

Assemblyman Francis C. Lindsay, Loomis, today announced that the state lands commission has in the past few days received tremendous bids for leases with operating oil companies for state-owned oil-bearing tidelands.

"For a number of years," Lindsay stated, "Assemblymen Allen Miller, Bruce Allen and I, with a few other legislators, have fought desperately in the legislature to achieve a program which would provide the people of the State of California with its just share of income from oil located on state lands. It was through our efforts that a sum of \$145,000,000 was obtained from the impounded oil income in the City of Long Beach and placed in an investment fund for the state and is dedicated to the development of water wherever needed.

"These recent leases offered for bid," Lindsay continued, "received cash bids for a sum of over \$55,550,000 cash bonus to this investment fund for only five parcels of underwater land. This sum is in addition to the 16-2/3 per cent royalty plus additional amounts on a sliding scale and is far beyond our wildest hopes. I feel that the people of my district should be informed that this long-range legislative action that I personally joined in has resulted in a tremendous monetary value to the state and will greatly accelerate the time schedule for development of water projects in the counties of origin for which much of this money is dedicated."

In commenting on this tremendous victory, Assemblyman Allen Miller, of San Fernando, chairman of the assembly rules committee, stated, "I am personally deeply appreciative of the subcommittee chairmanship entrusted to me by Assemblyman Lindsay, chairman of the parent committee on conservation, planning and public works, and for his valuable and unstinting efforts which made it possible for us to enact the legislation which resulted in the revision of the Shell-Cunningham Act of 1953 and provided for the increase in state royalties from tideland oil to the present 16-2/3 per cent plus, on a sliding scale.

"These cash bonuses of \$55,000,000," Assemblyman Miller continued, "represent a tremendous victory for the people of the State of California and are far beyond any amount that I would have guessed to be possible, but more important are an indication of the ultimate value to the state."

SQUAW MASTER PLAN IS SENT TO BOARD

The Placer County Planning Commission has adopted a master plan for development of the Squaw Valley area and sent recommendations to the board of supervisors.

Commissioners agreed a zoning hearings for the valley will be held August 2nd in the Squaw Valley Lodge during the annual meeting of the Squaw Valley Property Owners Association.

The plan provides for retail business at the entrance to the valley, light retail business within the valley, protection of the meadow land as reserve and establishment of a Y road into the valley instead of a loop road.

The proposal is one of four such master plans Planning Director Mazy Salter is developing for the Placer County part of Lake Tahoe. Public hearings on the three others are scheduled for later this year.

RECUPERATING

Mel Thornton has returned from the Woodland Clinic where he underwent treatment and is recuperating at his home.

Thornton will be allowed a few visitors for a short stay next week.

Card of Thanks

It is a pleasure to be able to thank all of our friends who sent cards, letters and flowers during my recent illness. I am very grateful for your encouraging thoughts. Mel Thornton

FOOT INJURED

John Stafford, 19, of Sacramento employed at the Denney Lumber Company mill, was taken to the Tahoe Forest Hospital this morning after a fork lift ran over one of his feet. He was not seriously injured.

Visiting Sister

Mrs. Elsie Hirst of Kentfield is visiting here for a few days with her sister, Mrs. Frank Titus.

FISHING HERE

Mr. and Mrs. Robert Saunders of Mill Valley have been enjoying a vacation in this area, fishing and seeing friends. The couple is well known where he was the manager for the local Bank of America before receiving a promotion of position and moving to the bay district.

SAMMET AT MEADOW PARK

Henry Sammet, a teacher from Berkeley is renovating his summer home in the Meadow Lake Park tract.

PAYEN OUT OF HOSPITAL

The E. E. Payen family of Folsom have moved to their ranch in the Verdi area for the summer. Payen was a recent patient in Tahoe Forest Hospital and very complimentary of the treatment given him in the local hospital.

GUESTS FROM WOODLAND

Mr. and Mrs. William Storkman have as their guests this week in their Donner Lake home, Mr. and Mrs. Grover Stevens of Woodland.

Famly Visit

Mr. and Mrs. Otto C. Haywood of Roseville left for home yesterday after visiting their son in law and daughter, Mr. and Mrs. Charles Carroll and their grandchildren.

TAHOE ZONE MEET TO BE HELD AUG. 5

AUBURN — A second public hearing on a proposed ordinance to rezone an area near Tahoe City, Lake Tahoe, for a shopping center use was postponed until August 5 by the board of supervisors.

The action followed the board policy set last month when the supervisors agreed to continue postponing the hearing until Planning Director Mazy Salter compiles master plan information on the area.

Board members listened briefly to Robert Thurn, attorney for Ray Towers and Thomas Joyce, who are petitioning to establish a shopping center at the lake.

Thurn suggested the proposed ordinance provides much more stringent regulations than any other area of the county. He said the ordinance ultimately would have to be extended to cover the entire county.

The area in question is located just south of Tahoe City.

TARZAN LEISURELY TRAVELLED UP THE COAST TOWARD A SMALL FISHING COMMUNITY-- UNWARE THAT HE WAS GUIDED BY FATE...

Tarzan

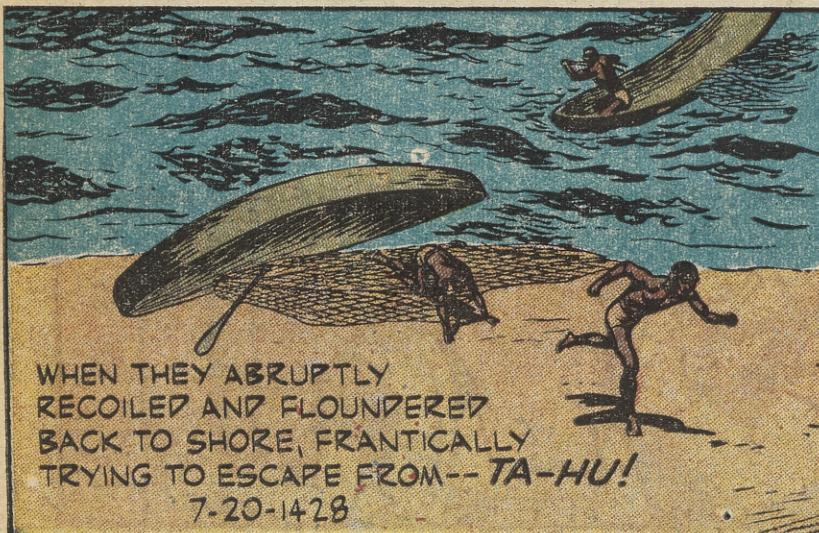

by EDGAR RICE BURROUGHS

THE INHABITANTS OF THE VILLAGE OF MAPORA HUDDLED FEARFULLY TOGETHER-- FOR A SERIES OF EVENTS HAD MADE THEIR LIVES A NIGHTMARE...

...EARLY IN THE MORNING THE FISHERMEN WENT TO SEA WITH THEIR NETS AND BOATS--

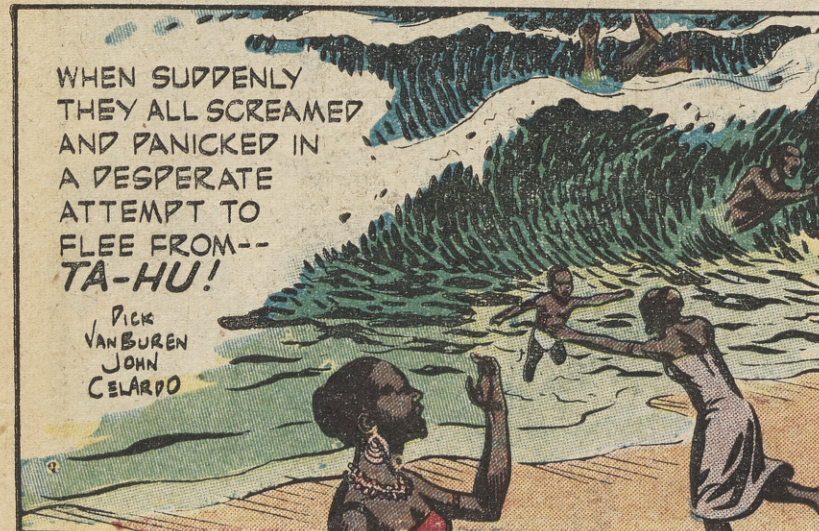

WHEN THEY ABRUPTLY RECOILED AND FLOUNGERED BACK TO SHORE, FRANTICALLY TRYING TO ESCAPE FROM-- TA-HU!

7-20-1428

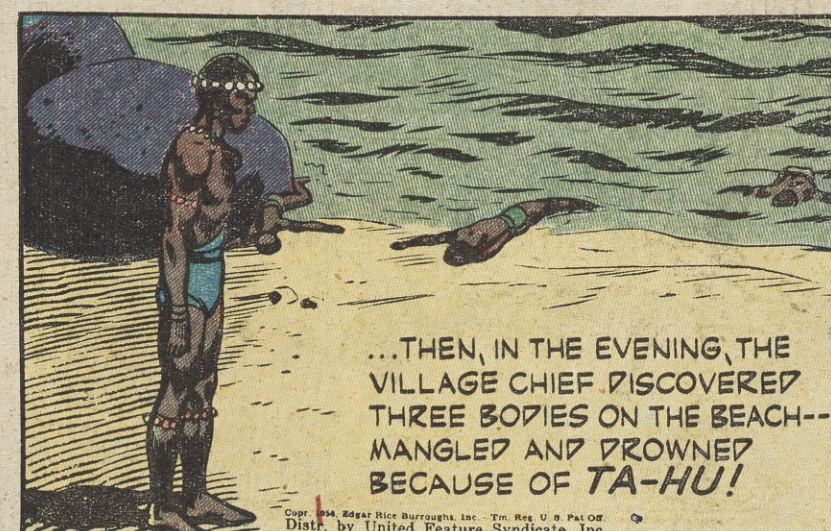

...LATER IN THE DAY, THE WOMEN WASHED THEIR CLOTHES AND THE CHILDREN PLAYED--

WHEN SUDDENLY THEY ALL SCREAMED AND PANICKED IN A DESPERATE ATTEMPT TO FLEE FROM-- TA-HU!

PICK VAN BUREN JOHN CELARDO

...THEN, IN THE EVENING, THE VILLAGE CHIEF DISCOVERED THREE BODIES ON THE BEACH-- MANGLED AND PROWNEE BECAUSE OF TA-HU!

BATHLESS GROGGINS

by
RAEBURN VAN BUREN

WHEN BATHLESS GROGGINS UPSET A QUART BOTTLE OF INK ALL OVER THE MASTER PLAN FOR THE NEW CROSS-COUNTRY SUPER HIGHWAY, ROAD BUILDING TOOK AN UNEXPECTED TURN (SEVERAL UNEXPECTED TURNS, AS A MATTER OF FACT!!)

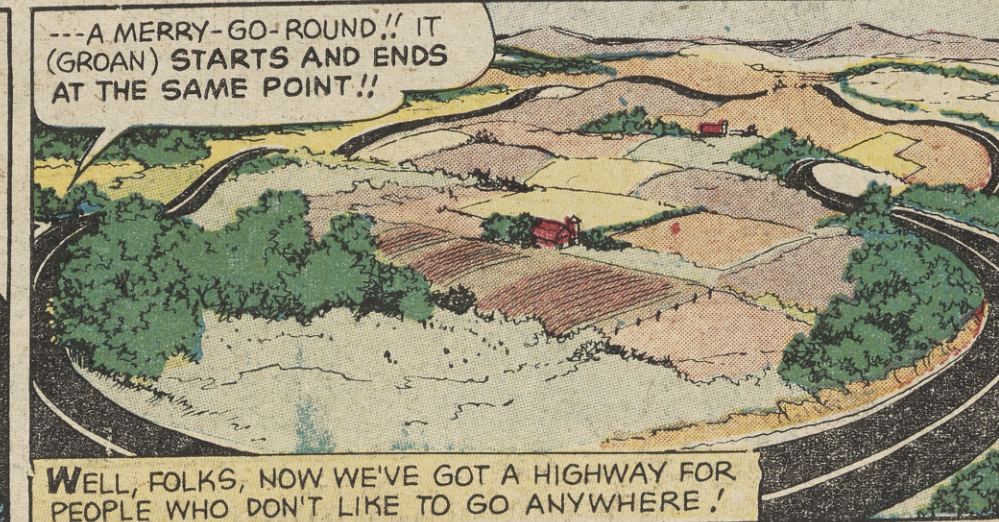

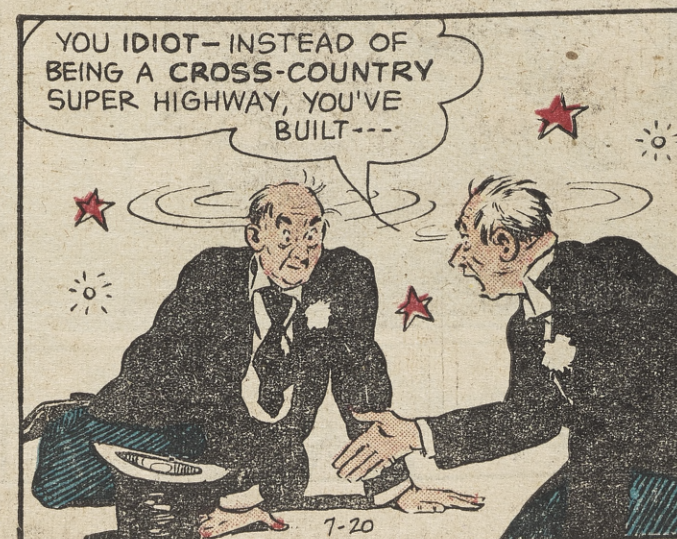

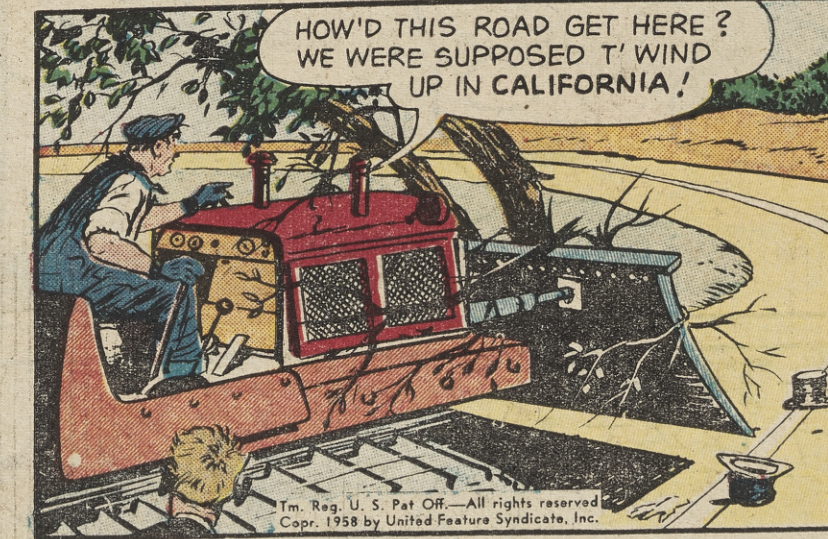

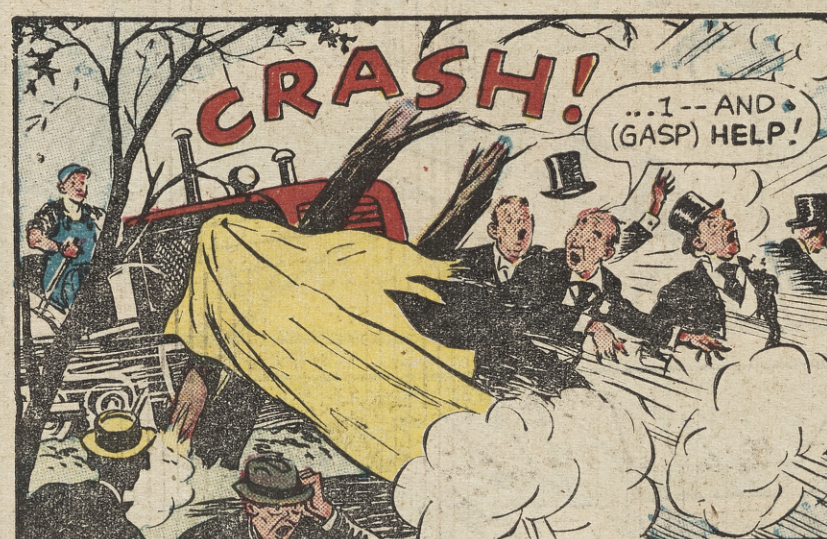

IN THIRTY SECONDS, SECTION FORTY-EIGHT-- THE FINAL SECTION OF OUR SUPER HIGHWAY-- WILL BE COMPLETED!

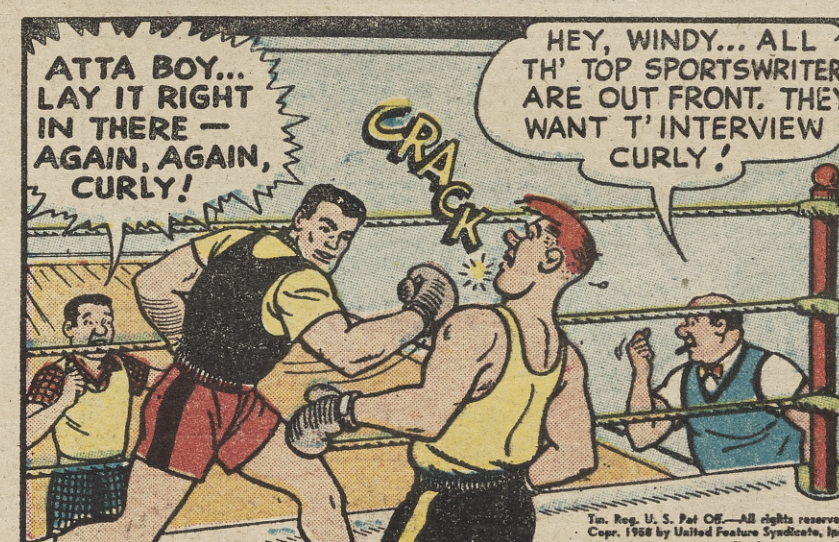

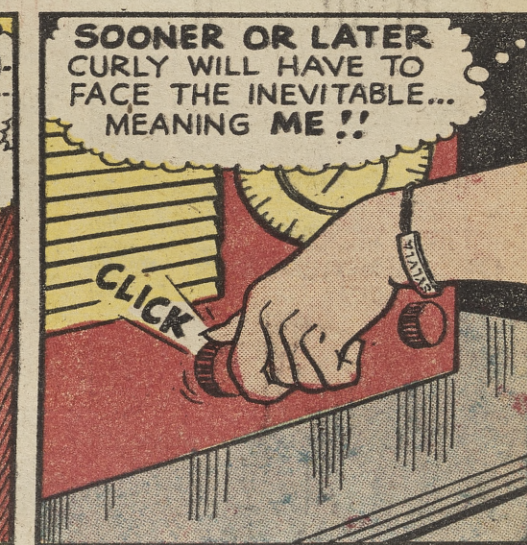

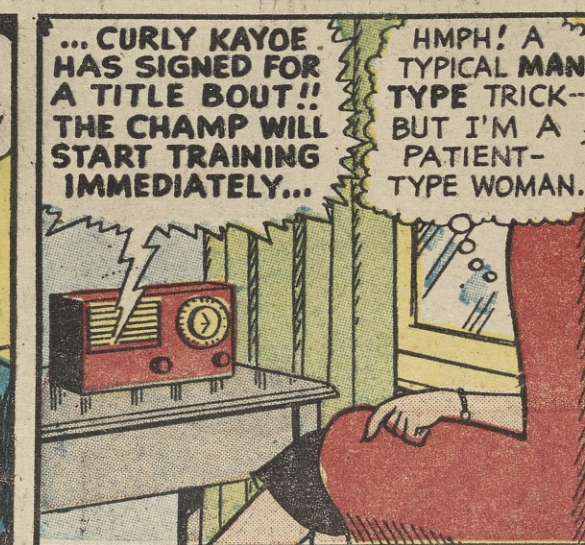

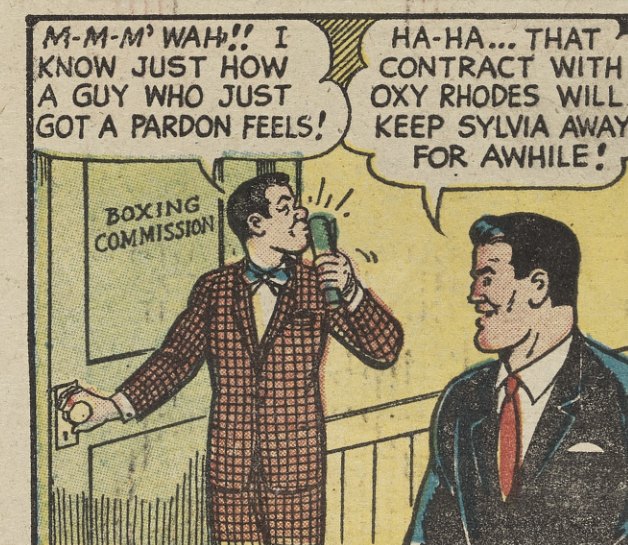

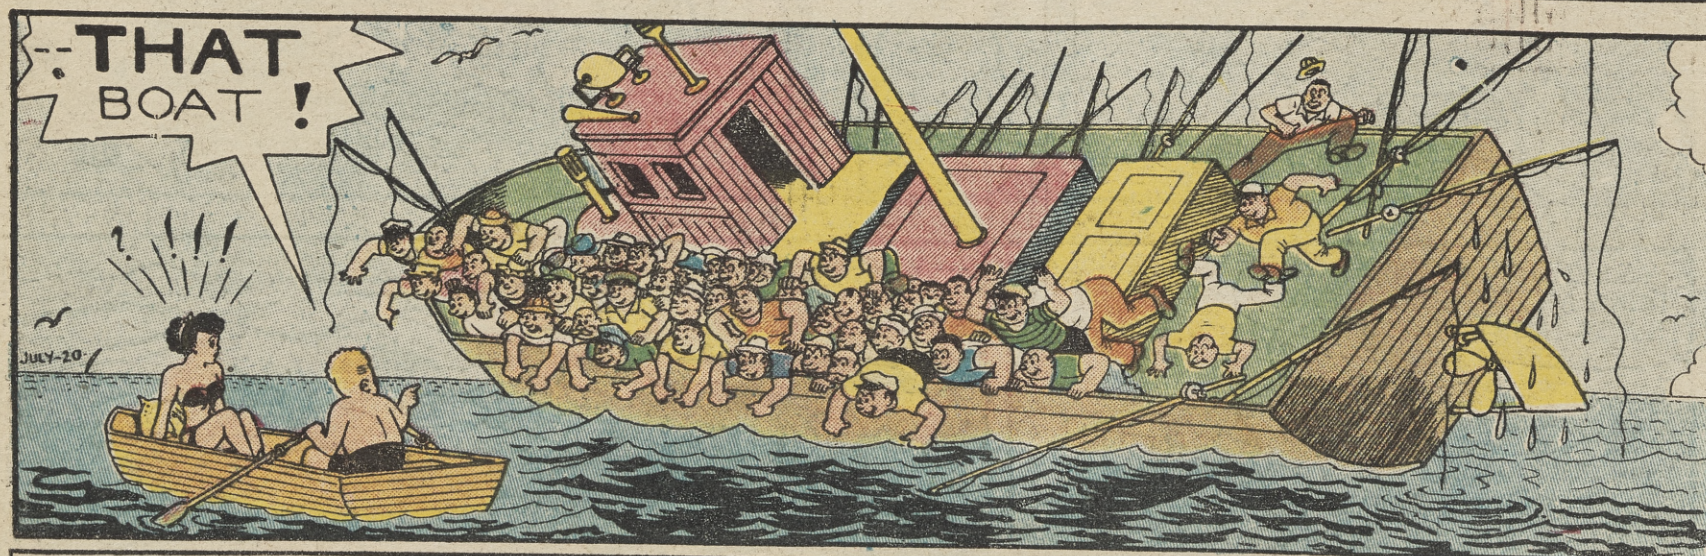

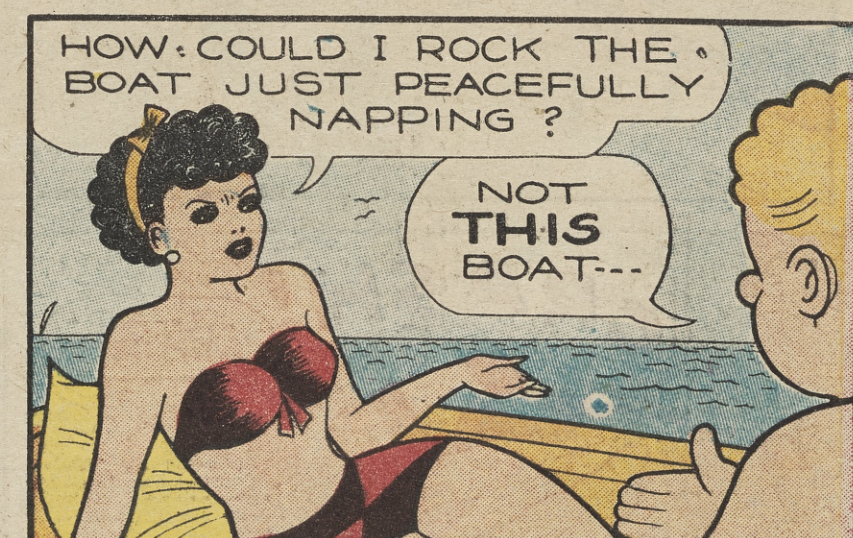

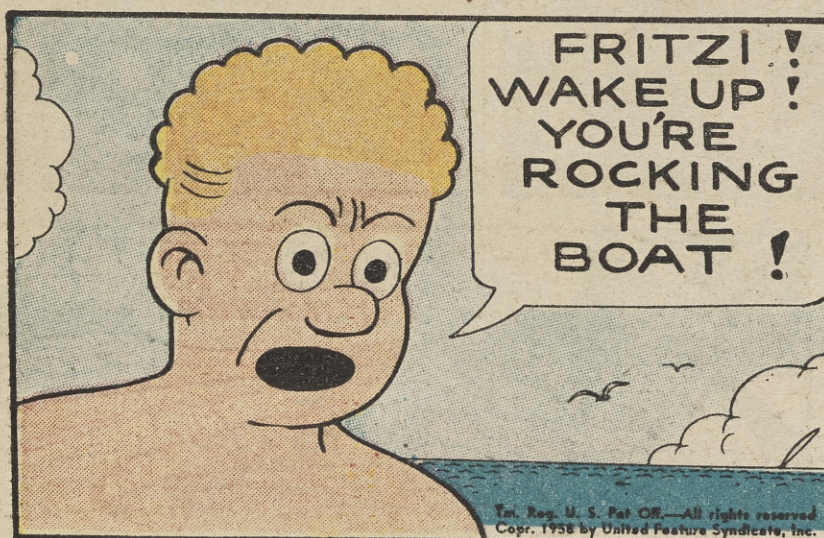

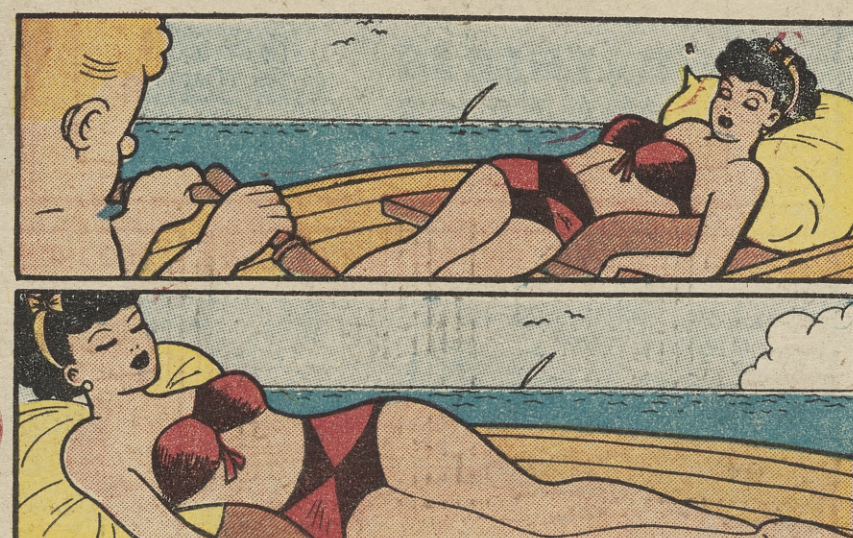

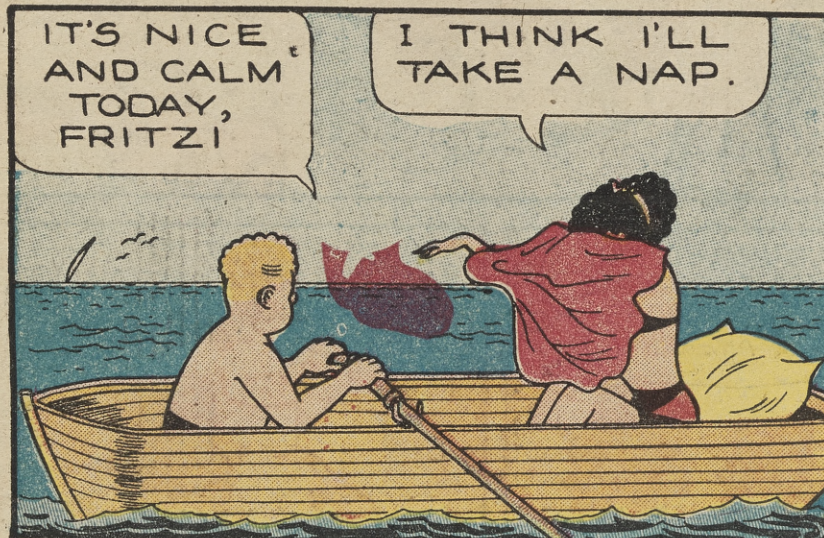

AND THEN, GOVERNOR-- IT WILL BE YOUR HONOR TO DEDICATE THIS FABULOUS NEW CROSS-COUNTRY ROAD OF AMERICA!

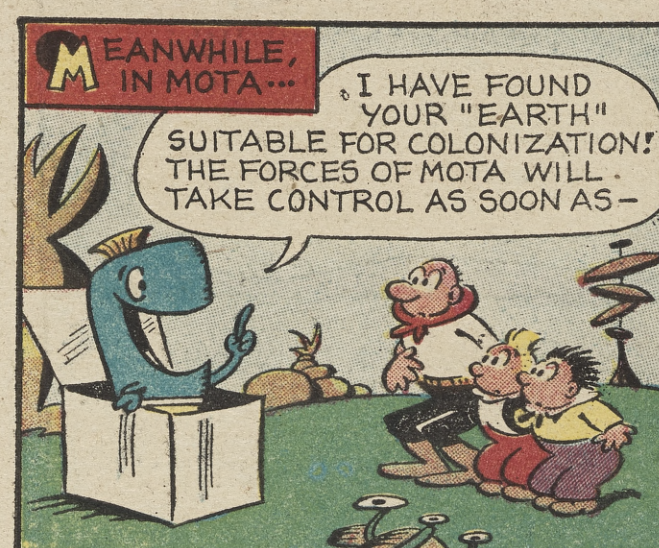

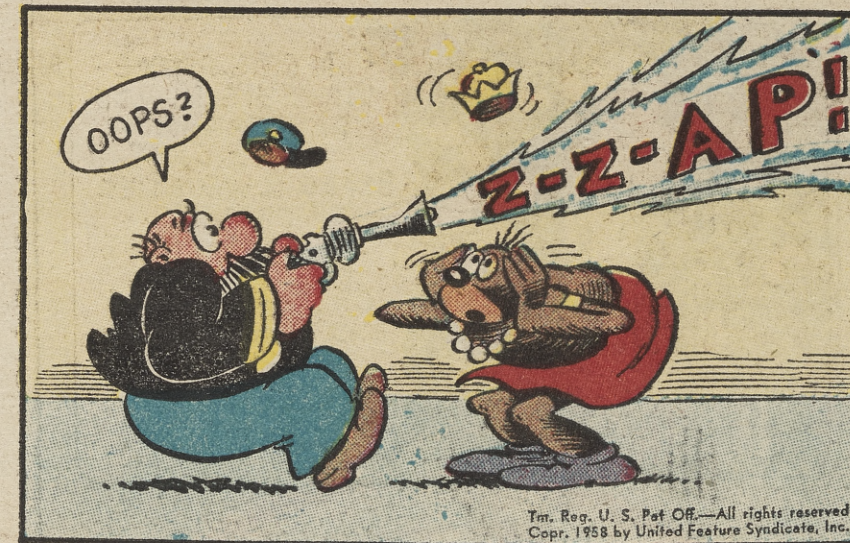

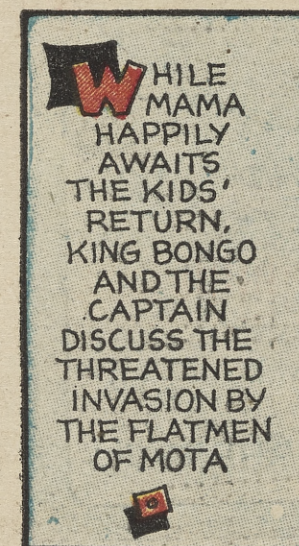

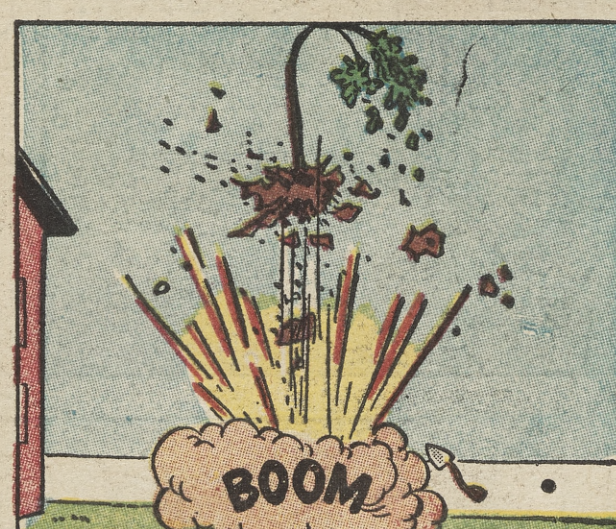

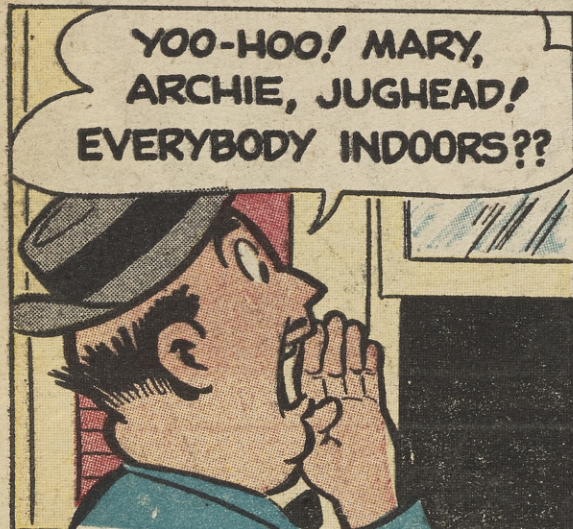

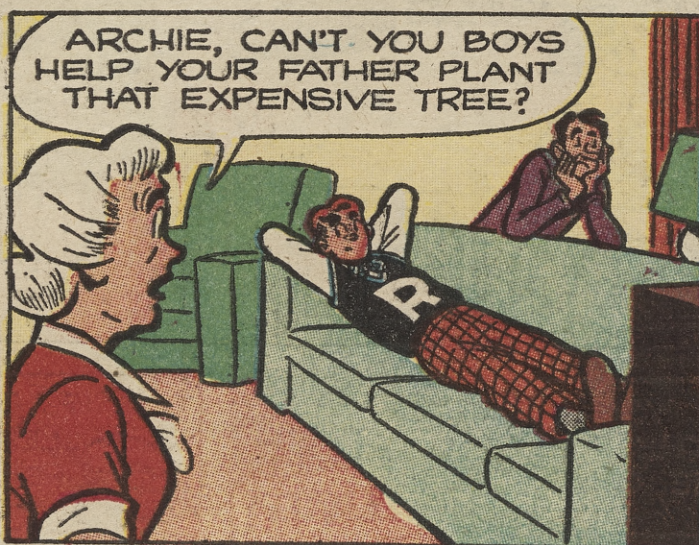

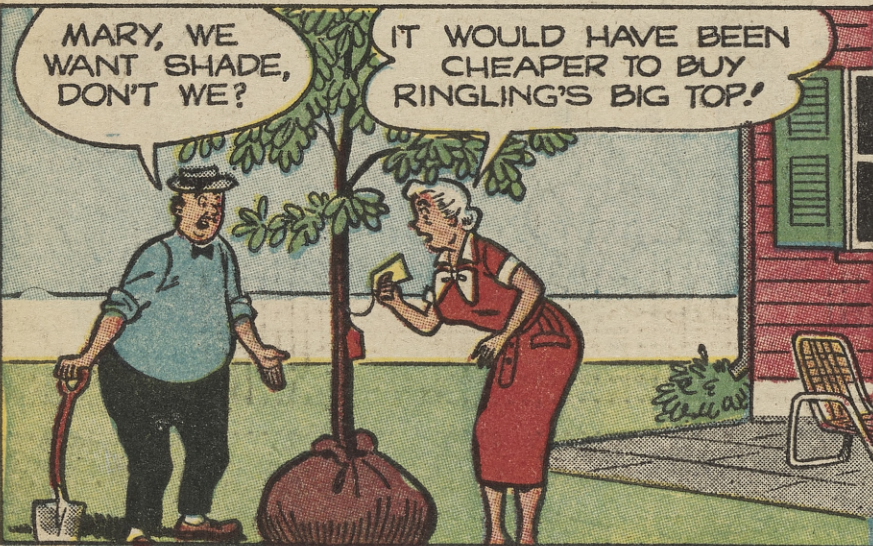

WHEN I LOWER MY HAND-- THE FINAL SECTION SHOULD BE COMPLETE-- 10-9-8-7-6-5-4-3-2...

STRANGE as it seems

ELSIE HIX

JOHN L. CLEM
ENLISTED AS A DRUMMER BOY WITH THE 22ND MICHIGAN VOLUNTEERS AT THE AGE OF 12, ESCAPED CAPTURE DURING THE BATTLE OF CHICKAMAUGA BY KILLING A CONFEDERATE COLONEL AND WAS GIVEN THE RANK OF SERGEANT!

RUGBY COLLEGE—THE PLACE WHERE RUGBY FOOTBALL ORIGINATED, WAS ONE OF THE LAST IMPORTANT SCHOOLS IN ENGLAND TO ADOPT THE SPORT!

THE EXPLOIT OF WILLIAM WEBB ELLIS, WHO VIOLATED THE STRICTEST RULE OF FOOTBALL AND FIRST RAN WITH THE BALL, IS COMMEMORATED BY A MONUMENT AT RUGBY... YET AT THE TIME OF HIS RUN, ELLIS BECAME A SOCIAL OUTCAST FOR HIS GREAT BLUNDER!

ENGLAND'S FAMOUS HYMN, "ALL HAIL THE POWER"—EDWARD PERRONNET'S ONLY CLAIM TO FAME, WAS SUNG FOR 60 YEARS BEFORE ANYONE KNEW WHO WROTE IT
—18th century—

CROWS ARE SUCH THIEVES THAT ONE MUST WATCH THE NEW NEST WHILE THE OTHER GATHERS MATERIAL—TO KEEP NEIGHBORING CROWS FROM STEALING IT!

A CITRUS TREE IN THE E. F. SHIELDS DATE GARDENS, Indio, Calif., BEARS 2 VARIETIES OF ORANGES, 3 OF GRAPEFRUIT, AND ONE EACH OF LEMONS, LIMES AND TANGERINES

THE MESSAGE STICKS USED BY AUSTRALIAN ABORIGINES ARE USED AS AIDS TO MEMORY, SAFETY PASSPORTS THROUGH HOSTILE COUNTRY AND AS MEANS OF LOCATING WATER, YET THE CARVINGS ARE NOT WRITING NOR ARE THEY HIEROGLYPHS

COLORS IN A RAINBOW ARE NOT ALWAYS THE SAME... THEY ARE SOMETIMES REVERSED OR PARTIALLY MISSING...

The Toodies

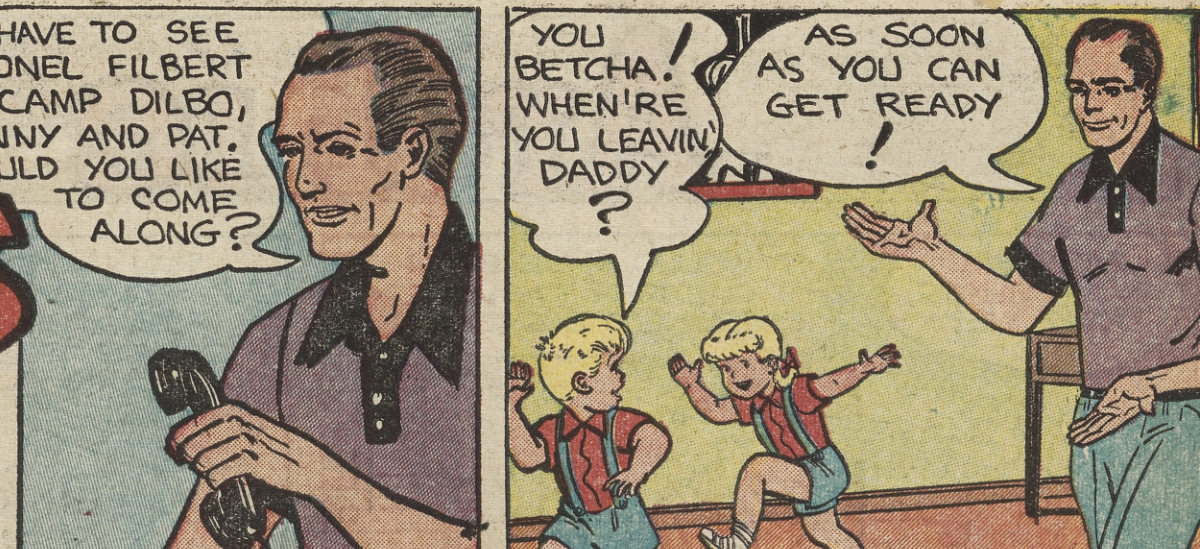

by **BAERS**

7/20

I HAVE TO SEE COLONEL FILBERT AT CAMP DILBO, PENNY AND PAT. WOULD YOU LIKE TO COME ALONG?

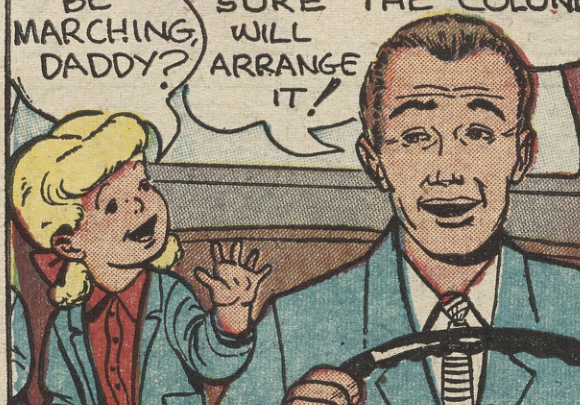

YOU BETCHA! WHEN'RE YOU LEAVIN' DADDY?

AS SOON AS YOU CAN GET READY!

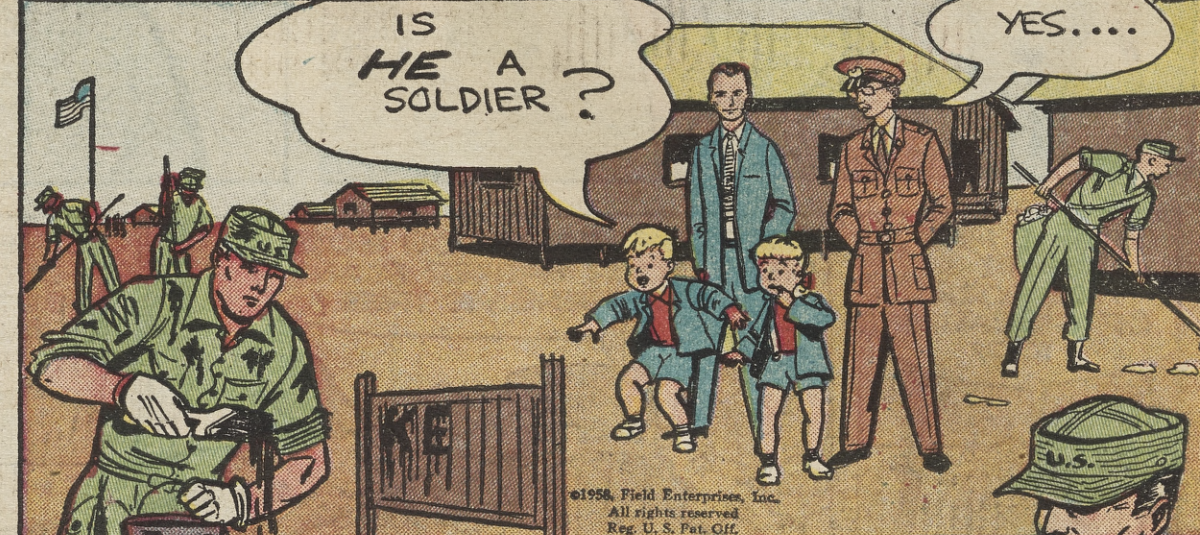

WILL THE SOLDIERS BE MARCHING, DADDY?

I DOUBT IT.... BUT IF YOU'D LIKE TO SEE THE CAMP I'M SURE THE COLONEL WILL ARRANGE IT!

IS HE A SOLDIER?

YES....

Reg. U. S. Pat. Off.

WHERE'S HIS UNIFORM?

HE'S WEARING FATIGUES... THEY ARE THE SOLDIER'S WORKING CLOTHES!

WOULD YOU LIKE TO SEE THE REST OF THE CAMP?

SURE! THAT'S WHAT WE CAME FOR!!

THIS IS MY AID, SERGEANT LEMON, PENNY AND PAT—HE'LL SHOW YOU AROUND THE DIFFERENT CAMP AREAS!

...THIS IS THE KITCHEN AREA... THOSE MEN ARE ON K.P. DUTY...

WHAT DOES "K.P." MEAN, MISTER?

IT MEANS "KEEP PEELING!"
